MEMORANDUM FOR: Acting Executive
FROM: Chairman, Hazardous Pay Plan Committee
SUBJECT: Hazardous Employment Study

Attached is material developed by the Hazardous Pay Plan Committee up to the present time. Although this study has not completed, the papers developed thus far will give you a good idea as to the basic proposals of the committee.

The further work of the committee will include (1) discussions with Assistant Directors (particularly of [redacted]) to insure that necessary phases of hazardous employment have been covered and (2) preparation of procedures and standards for adequately carrying out the program.
